AIR LINE PILOTS ASSOCIATION, INTERNATIONAL

THIS AGREEMENT is made and entered into in accordance with the provisions of the Railway Labor Act, as amended, by and between Air Wisconsin Airlines Corporation and the air line pilots in the service of Air Wisconsin Airlines Corporation, as represented by the Air Line Pilots Association, International ("Association").

WHEREAS, the parties wish to clarify the manner in which Section 27.D. shall be interpreted, specifically with respect to the level of the employee contribution to the premium,

THEREFORE, IT IS HEREBY AGREED THAT:

- A. In order to determine the appropriate level of the employee contribution to the insurance premiums as described in Section 27.D., the increase or decrease to such contribution shall be established in relation to the amount of the previous year's contribution. The employee contribution may decrease below the contribution level set for calendar year 2001 (or any other year), if such reduction is required by operation of the formula.
- B. Adjustments to the employee portion of the premium for indemnity, PPO, and HMO plans shall be calculated and implemented separately for each plan.
- C. Notwithstanding paragraphs A. and B. above, the parties agree that the employee contributions established for calendar 2002 for all of the plans are acceptable, and that such levels of contribution will be utilized for comparison purposes in determining the appropriate level of employee contribution for calendar year 2003.

This Letter of Agreement shall become effective on the date of execution and shall remain in full force and effect concurrent with the Pilots' Basic Agreement.

IN WITNESS WHEREOF, the parties have signed this Agreement this 10th day of September, 2002.
